The Board of Directors Approves Placement of Bonds

On July 28, 2004 Uralsvyazinform Board of Directors took a decision to approve placement of RUR 3 bln bonds issue, as well as the respective Decision of issue and Prospectus.

The following parameters of issue have been specified: interest bearing documentary bearer bonds of 04 series, which are subject to obligatory centralized custody of 3 000 000 bonds at nominal value RUR 1 000 each, redeemable on the 1092 day since the beginning of placement. The issue is effected without a preliminary offer.

The overall volume of issue is RUR 3 bln., with placement to be made through open subscription.

The offering price of each bond is determined as 100 per cent of its nominal value. Beginning from the second day of offering, the buyer also pays accumulated coupon yield calculated by the following formula:

$$ACY = Nom * C * ((T - T_0) / 365) / 100\%$$

where

ACY - accumulated coupon yield, RUR;

Nom - nominal value of one bond, RUR;

C - coupon yield, per cent per annum;

T - date of ACY calculation;

T₀ - start date of offering.

The ACY value per one bond is rounded off to one kopeck by convention.

The value of the Coupon yield is determined on the start date of offering.

The money gained from the placement will be spent on investment and debt restructuring.

The start date of offering is determined by the Board of Directors but no earlier than two weeks after the date of press release about the Issue of Bonds registration is published.

The finish date of offering is determined as the earliest of the following dates:

- either the 15th working day after the start date of offering;
- or the date of the last Bond offering but no longer than 1 year after the Issue of Bonds registration.
